

CHARLES DEMUYCK: Music Director

"I am both overwhelmed by, and proud of the growth of Masterworks, both in artistic excellence and community support. Last fall we decided to add 30 singers to the chorus and 20 players to the orchestra, and had absolutely no problem doing either...how many community groups can say that.

I invite you to our 2010–2011 Season, as we celebrate some of the best music ever written, from 20th century masterpieces like *Carmina Burana* to the profound religious drama of the *St. Matthew Passion*. Come and join us for these spectacular sound canvasses!"
